## Eastern Corporation Limited ASX Announcement

### PROFIT GUIDANCE

#### 31 December 2007 Results

In accordance with Listing Rule 3.1, the Eastern Corporation Limited advises that it expects to report a loss for the six months to 31 December 2007 of approximately \$3 million as opposed to a loss of \$1.132 million for the six months to 31 December 2006.

The higher loss is due to increased exploration and evaluation expenditure of approximately \$1 million for Galilee Energy Limited, a greater operating loss in respect of the New Zealand coal mining operations of approximately \$750,000 and one off costs associated with the corporate restructure which occurred in the second half of the year.
